Sandeep 14th

Amber 23rd

Faith 25th

Mr Bister 29th

Attention

Car parking

Again we are having to bring up the parking, can we please be mindful when parking outside the nursery it has be noticed that parents are blocking the entrance to the drive and parking in the disabled parking bay opposite the nursery.

Local residents have been advised to take registration number plates and pass them on to the police.

There is ample parking spaces outside the nursery and further along the road, please be mindful when parking

Thank you

Employee of the month

Employee of the month this month goes to

Mrs Sanders has been nominated for lovely display, and helping with great ideas and helping others.

Baby Room Focus of the Month...is animals

The children will be looking at lots of different types of animals starting with the farm they will be creating a farm role play area for the children to explore lots of different sensory textures, focusing on the book old MacDonald, farm animal printing, and tuff trays including glup, straw and cereals.

They then will be going onto the jungle in where the children will be looking and exploring animal pattern textures making jungle sensory bottles.

Tiddler Room Focus is..... the very hungry caterpillar story

This month the children will be looking at the story the very hungry caterpillar, they will be taking part in lots of fun activities from going on a bug hunt, making their very own caterpillar and butterfly, they will be trying the different foods that are in the story. Making caterpillar/butterfly masks and making butterfly kites, they will be having a caterpillar tea party, with many more fun activities.

Tweenie Room Focus of the Month... Dinosaurs

This month the Tweenies will be looking at dinosaurs, they will be making dinosaur feet using tissue boxes, making a real life size dinosaur using egg boxes, going on a dinosaur hunt, planting dinosaur food and exploring dinosaur fossils.

Pre-School Focus of the Month.... Under the sea

The children will be looking at under the sea, they will be learning the life cycle of sea animals, learning about the globe, different types of oceans, looking at what animals live in cold and warm climates, Use mathematical language to categorize sea animals. Will be going on a trip to the fish shop.

Parents Association

We are looking for new members to join our P, A association, if you would like to join the P, A or would like any other information please speak to Mrs Sanders in Tiddlers room

Our P, A members are always happy to receive feedback and any comments which will be passed on to the management, you can contact them via email:

becks.l.g@hotmail.com Alydowling@yahoo.co.uk

Uniform

Please can we remind parents that uniform is compulsory in Tiddler room, Tweenie room and pre-school, if you need an order form please see a member of staff within your child's room, please can you ensure your child is wearing the correct uniform. Also can we please name all uniform clearly.
