Summer weather

As the summer approaches, we are preparing for some warmer weather! Can we please ask parents to supply their children with sun hats and sun cream, to be kept at nursery.

It is important that the children have sufficient protection when using the garden and are able to make the most out of the sunshine.

Thank you

Mrs Woodward

It is with great sadness that Mrs Woodward will be leaving us on the 8th of June to start her retirement and spend her days with her gorgeous grandson.

Ann has always been the heart and soul of the nursery and will be dearly missed, over the last 15 years at stepping stones she has made such a positive impact on thousands of children's lives and her dedication to the nursery has been unrivalled.

Many parents have already expressed the wish to do something for Mrs Woodward and we will therefore be collecting any donations parents wish to give towards a leaving gift for Ann. If any parents wish to do so please hand in money to your child's room leader or to Miss Dixon.

We wish Ann all the happiness for her well deserved retirement.

Birthday's this Month

We would like to wish a happy birthday to the following people. We hope you have a lovely day!

Elijah 3rd
Benjamin 4th
Louis 13th
Scarlett 16th
Navya 23rd

Pushchairs

We have noticed that several pushchairs are being left outside in the front garden during the day at nursery

Please remember that you are leaving your pushchair at your own risk

We do advise that you fold down your pushchairs and place in the buggy shed provided. Stoney road does get very busy during the day and could potentially result in an expensive pushchair being taken if it is left in view in the garden

Spare clothes

Please could we remind all parents to ensure their child has a set of spare clothes with them while at nursery.

If your child has been sent home in nursery spare clothes, could you please ensure that you have washed them and return them as soon as possible as we have a very limited nursery spare clothes.

If you have any children's clothes you wish to donate as spare clothes for nursery we would be very grateful as we are very low.

Mobile phones

Please can we take this opportunity to remind parents that mobile phones are strictly prohibited within nursery.

If you need to take a call whilst at nursery could we ask you to remain outside the front door until you have finished.

Medication in bags

Could we ask parents not to put medication in children's bags. If Medication is required at nursery this must be handed to a member of staff when you bring your child in.

Staff are unaware that medication has been left in the children's bags, and therefore they will be in reach of other children, this is a huge risk not just for your child but for other children who may have access to the bag!

Please give this your immediate attention in order to help us keep the children safe.
