

## Whistle blowing Policy

Whilst we expect all our colleagues, both internal and external, to be professional at all times and hold the welfare and safety of every child as their paramount objective, there may be occasions where this may not be happening. Stepping Stones Nursery is committed to the highest possible standards in everything we do. We expect employees, and others that we deal with, who have serious concerns about any aspect of the nursery to come forward and voice those concerns.

It is vital that all team members talk through any concerns they may have with their line manager at the earliest opportunity to enable any problems to be ironed out as soon as they arise.

The policy is intended to make it clear that staff can raise concerns without fear of victimisation, subsequent discrimination or disadvantage. This Whistle blowing policy is intended to encourage and enable employees to raise serious concerns within the nursery. This applies to all employees, volunteers, students and other relevant outside agency workers.
